

## **COVID-19 SAFETY MEASURES IN THE HELVETIA INTERGOLF**

TO GUARANTEE YOU AN ENJOYABLE STAY, WE HAVE STRICTLY IMPLEMENTED ALL HYGIENE REGULATIONS REQUIRED BY THE FEDERAL GOVERNMENT.

**THE WHOLE TEAM IS LOOKING FORWARD TO WELCOMING AND PAMPERING YOU.**

The new reality in a world with Corona has a great impact on the needs of hotel and restaurant guests. We would like to inform and assure you that we do everything to make your stay at the Helvetia Intergolf secure and relaxing. We have made great efforts for your well-being and safety and adhere to the security concept of HotellerieSuisse.

It is important to us that the extensive hygiene measures can be implemented discreetly - after all, the holiday feeling should not be affected.

### **Entrance and public areas**

The entrance hall is provided with floor distance markings. Help us to keep the 2m distance rule.

Disinfection stations are available at the hotel entrance, in front of the restaurant and bar as well as the wellness area. Please use them regularly.

The reception is equipped with Plexiglas partitions.

Unfortunately, the use of newspapers or magazines is currently not permitted.

### **Restaurant**

In the restaurant and on the terrace we have put tables out of order to guarantee the necessary distance. The cleaning programs were supplemented by additional disinfection passages. For your relief, our service staff can wear masks so that you can really enjoy our rich breakfast and a tasty dinner (Friday and Saturday evenings). Please report to the reception desk to make your request.

### **Breakfast**

The rich breakfast buffet is set up in our light-flooded restaurant. If the weather is fine, breakfast can also be taken on our wonderful terrace. You also have the possibility to order a continental breakfast to your room.

### **Hotel room**

In addition to the daily hotel service, all rooms are thoroughly cleaned and disinfected after the departure of the guests. This guarantees you a carefree stay.

### **Apartments**

After each departure, a thorough final cleaning and disinfection of the apartment is carried out immediately, so that you can spend a safe and relaxed holiday with us.

### **Wellness**

Our spa offers space for a maximum of 15 people. We need your help to maintain the prescribed distance!

The whirlpool has room for 5 people, but can only be used by one group at a time.

For reservation of the sauna (private use for 45 minutes per day) please contact the reception.

For the safety of all our guests, please follow all coronavirus guidelines.

### **Employees**

The health of our employees is also very important to us, so they have the choice of wearing a hygiene mask. Many thanks for your understanding
